Hi. I just wanted to thank you for the great job that you did at the wedding. The reviews of our guest were great. If you ever need to use us as a reference, please do so. It would be our pleasure. Thanks again for making this a very memorable occasion.

Dear J.T.,

Thank you so much for helping out with our wedding. Everyone keeps telling us how great the music was for our wedding. You did an excellent job announcing the wedding party & you really made our wedding run smoothly. We couldn't have done it without you, thanks for having our day. Love Shirley - Jerry

Dear J.T.

Bruce and I are most thankful for the DJ services you provided. The evening was a total success. We had a great time. All the guests were thrilled with fun, fellowship and music. Thank you for being part of our special day 9/13/09.
